Roll, Pass & Kick  
your way to victory!

## 1st & Goal 1st Edition Errata

- **On page 8 under *Special Teams Rules, Onside Kick* it should say:**

The ball is placed on their 30-yard line and they roll the Red die, the Brown die, the Play die and the Referee die.

- **On page 9 under *Scoring, Field Goal* this line should be at the end of the paragraph:**

After any field goal attempt, the Offense must burn one card.

- **Breakaway Result Clarification:**

A Breakaway is intended to be a positive result for the offense. If a Breakaway is rolled and the total result is NEGATIVE, then the Offense has the option to not re-roll, declaring the runner is down and the ball is dead.

- **On top of page 7 under *The Play Die, Results of Penalty die* it should say:**

On penalties, ignore yardage rolled. Do not adjust the down. Return the played cards to your hands and repeat the down..
