PIERRE
In this cooperative deduction game, players must find their way out of the Eternal Forest. Each player's Path is unique — And only you know the way. Your teammates are needed to open the Portals along each step. Give clever clues, hope your teammates can read your mind, and complete your journey!

THE MUSEUM HAS SOME PROBLEMS
How do you solve them?
Each player controls his own
path through the museum. He
cannot see the other players' paths.
Collect the most valuable artifacts
without being caught.
